

# 7 AMAZING CROSS PATTERNS

*WAYLIGHT CREATIONS*

# Thank You

Thank you for purchasing your copy of “7 Amazing Cross Patterns”. We hope that you enjoy and get plenty of use out of the included patterns.

While these patterns were primarily designed for use as scroll saw patterns, they can be applied to many other uses as well.

## **How You Can Use The Patterns**

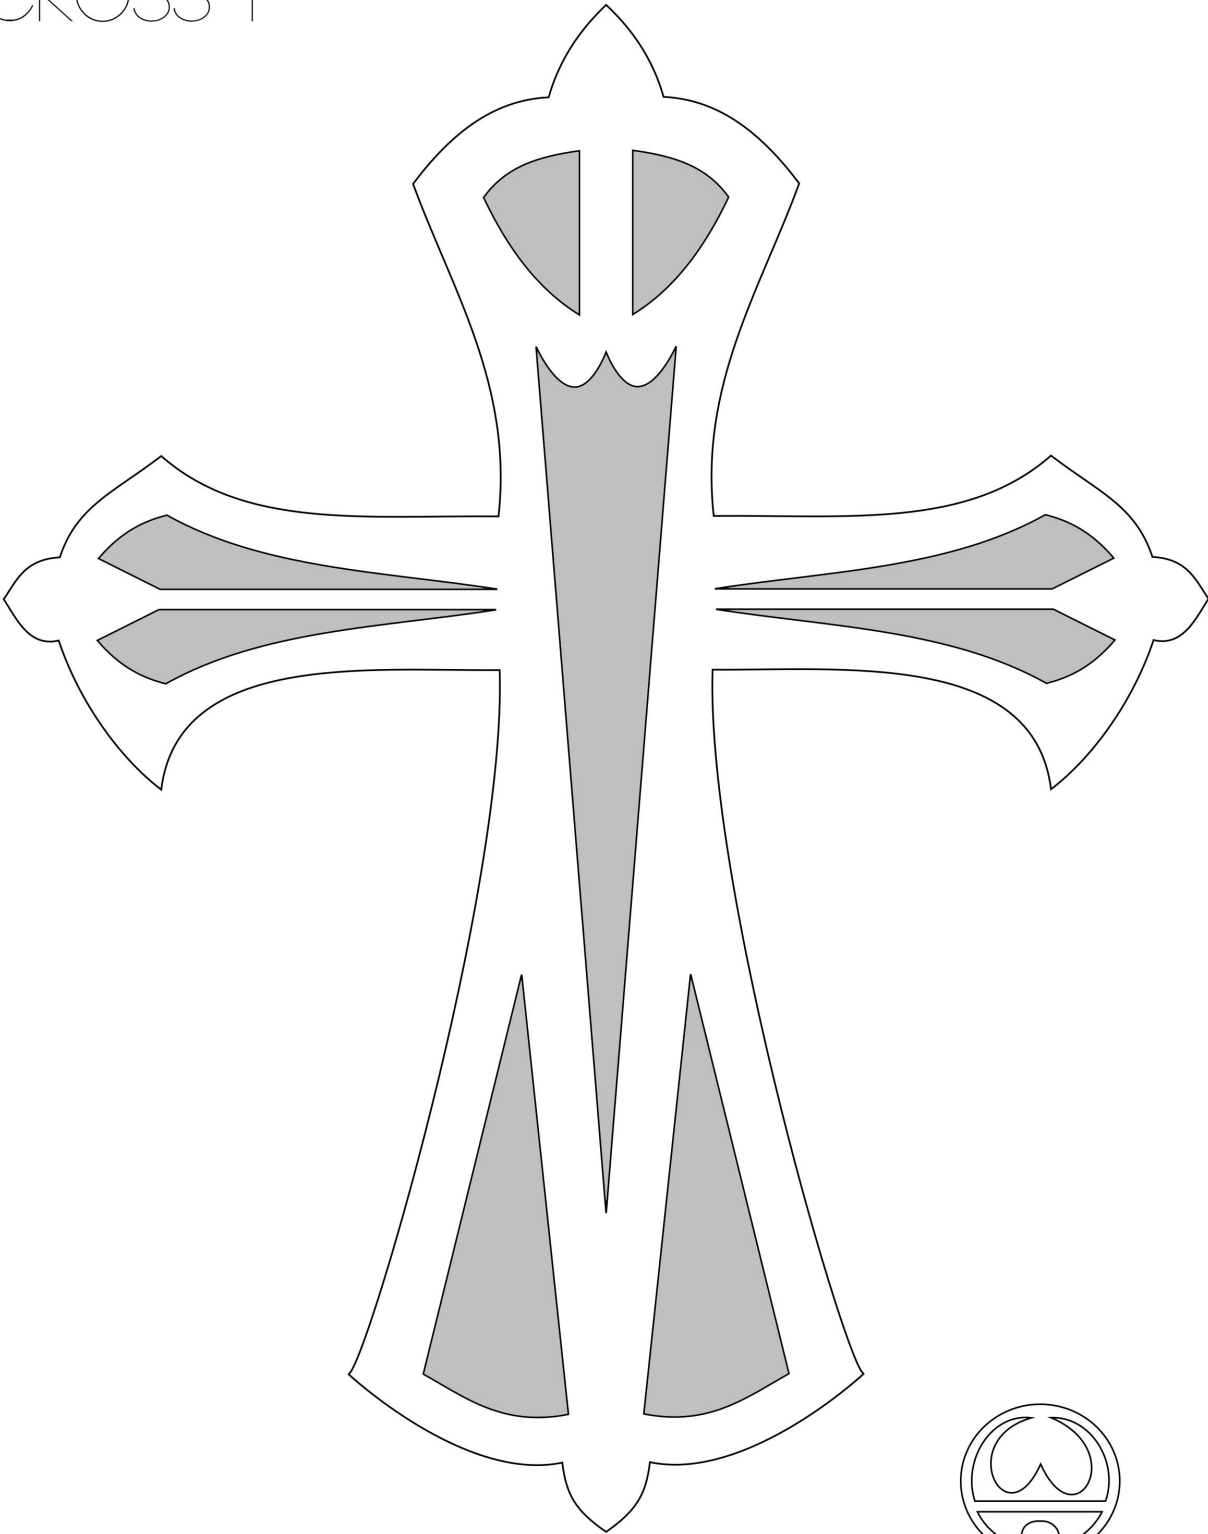

You are free to use these patterns for both commercial (see below) and private/personal use.

Commercial use means that you can use these patterns to make physical objects that you wish to sell. The patterns themselves cannot be resold as they are or included in any grouping or package in which the sole purpose is to profit from the patterns themselves.
