Name _____

"Choose Your Own Adventure" Story Template

       Make a copy of this document that includes your name in the new title. Starting with a simple story outline, plan the elements of your story. If you need additional headings, you can create them below. Once you have the basic elements in place, write the story down in each section. You will use this document to create your coded story.

<u>Story Map Summary (Share the main idea of what will happen in each part of the story.)</u>

Exposition:

Rising Action:

Climax #1:

Falling Action #1:

Resolution #1:

Climax #2:

Falling Action #2:

Resolution #2:

<u>Story Script (Now write down the actual words in your story for each section.)</u>

Exposition:

Rising Action:

Climax #1:

Falling Action #1:

Resolution #1:

Climax #2:

Falling Action #2:
