

Diagram illustrating a control interface for a door or window. The interface is divided into two main sections: a top section with three active buttons and a bottom section with five status indicators.

Top Section (Active Buttons):

- Garder ouverte** (Keep open): Represented by a plus sign icon.
- Fermer** (Close): Represented by a plus sign icon.
- Compris** (Understood): Represented by a plus sign icon.

Bottom Section (Status Indicators):

- Ouverte** (Open): Represented by a red warning triangle icon.
- Gardée ouverte** (Kept open): Represented by a yellow padlock icon.
- Fermeture** (Closing): Represented by a green downward arrow icon.
- Auto-fermée** (Auto-closed): Represented by a blue shield icon.
- Déconnectée** (Disconnected): Represented by a grey question mark icon.

Diagram illustrating a control interface for a door or window, showing a second set of buttons and status indicators.

Top Section (Active Buttons):

- Three buttons, each containing a plus sign icon, corresponding to the "Garder ouverte", "Fermer", and "Compris" functions from the first diagram.

Bottom Section (Status Indicators):

- Five plus sign icons, corresponding to the "Ouverte", "Gardée ouverte", "Fermeture", "Auto-fermée", and "Déconnectée" status indicators from the first diagram.
