COMO CUIDAR TU ESCENARIO

HOW TO TAKE CARE OF YOUR STAGE

Usa un paño de microfibra seco para quitar el polvo y un paño ligeramente húmedo con agua para limpiar las superficies sin dañarlas (partes que no tienen papel adhesivo).
Use a dry microfiber cloth to remove dust and a slightly damp cloth with water to clean the surfaces without damaging them (parts without adhesive paper).

No uses esponjas abrasivas ni limpiadores con partículas que puedan rayar el material.
Do not use abrasive sponges or cleaners with particles that could scratch the material.

Evita el uso de productos con alcohol o solventes que puedan desvanecer la tinta de las impresiones.
Avoid using products with alcohol or solvents that could fade the ink on the prints.

Revisa periódicamente las uniones y refuérzalas si alguna parte se afloja o despega.

Periodically check the joints and reinforce them if any part becomes loose or detaches.
