# ASSEMBLY GUIDE

## Bottom Joint Assembly:

### Step 1: Glue

Side A:

Glue this piece below.

Side B:

Glue this piece below.

### Step 2: Combine Pieces

Should be one piece.

## Upper Joints Assembly:

### Step 1: Glue

Side A:

Glue this piece below.

Side B:

Glue this piece below.

### Step 2: Add Middle Piece in between

Note: Pieces with the holes on top, must be glued inside. The pieces without top holes must be glued on the outside to hide the holes where the wooden sticks will be placed.

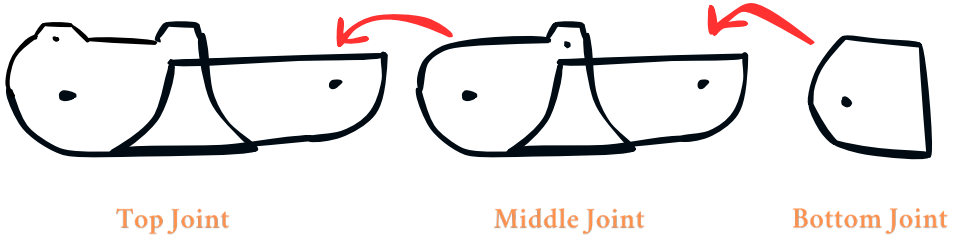

### Step 3: Combine Pieces

Should be one piece.

# ASSEMBLY GUIDE

## General Assembly of One Finger:

**Note:** The Thumb Piece only has two joints. Attach joints with wooden sticks and cut off excess.
