

- 1 Peel off purple tape.
- 2 Remove fuselage, wing and tailplane from backing.
- 3 Hold wing with the arrow upwards and pointing to nose of fuselage.
- 4 Slide the wing through the slot in the fuselage until it is centred.
- 5 Hold tailplane with the arrow uppermost and pointing to nose of fuselage.
- 6 Push tailplane into the slot in the tail as far as it will go.
- 7 Hang decoration by the gold thread near the front door.
- 8 Greet your festive visitors under the missiletoad.
