

Prepare for Fire Season Now!

Make a Firebreak with a skid and your kids !

Don't know what to do with all that cheatgrass encircling your property and fences? Here's a quick fix:

You need to make a firebreak now!

With all the wind driven fires we've seen lately prevention, has to be at the top of the list. Creating a buffer zone between your property and a wind driven fire can be quick and easy.

A weighted skid, drug around your property with your kid's ATV can create that critical space between your home and a wildfire.
