

Water-based Varnish

Polyurethane for floors, furniture and other wooden surfaces

Water-based polyurethane for floors, furniture and other wooden surfaces. Very resistant and easy to apply, it maintains the original wood color and can be applied over most stain and varnish.

Surface preparation

Important! The surface must be clean (**free of wax, grease or oil**), dry, evenly sanded with 120 grit sandpaper (for previously varnished floors there must not remain any trace of gloss.) and thoroughly dusted.

Product preparation

Vigorously shake the container and let stand 10 minutes before applying.

Application

The application must be made at an ambient temperature above 15 °C. Apply varnish in the direction of the wood grain using a synthetic bristle paintbrush, a stain applicator or a paint roller (5 to 10 mm). Between coats, let it dry for 3 hours before sanding with 220 grit sandpaper.

Number of coat

On bare or stained floor: 3 coats

On previously varnished floor: 2 coats

Drying time

- Between coats: 3 hours
- Cautious traffic: 8 hours
- Put back the furniture: 48 hours
- Put back the carpet: 7 days
- First damp cleaning: 10 days

Project types

Floors, furnitures, woodworks, paneling, interior doors and windows.

- Great abrasion resistance
- Resistant to water
- Resistant to domestic maintenance products
- Compatible with almost every varnish and stain
- Low VOC rate
- Easy application
- Non toxic
- Odorless
- Doesn't yellow

Covering

100 to 130 sq ft / L

Surface types

Wood, Cork, Rattan

Tools cleaning

Water

Composition

Water, polyurethane resin, organic solvent and diethylene glycol monobutyl ether

VOC

80 g / L

Maintenance

Soapy water

Compatibility

Compatible with most wood stains, oils, varnishes, lacquers and paints

It's strongly recommended reading carefully the technical sheet of the product and making prior test to ensure the propriety and compatibility of the products.

Durability

8 to 12 years

Residues Disposal

Consult your municipality for proper disposal procedure of this product residues.

Caution

Ventilate well. Wear protective gloves and safety glasses.

Warranty

Tembi products guarantee the quality of its products. They comply with the description given in the data sheets and proper labels for their intended use, in accordance with the instructions indicated by the company. However, since the manufacturer has no control over the circumstances, methods and usage conditions, this warranty covers only the high quality of Finico products.

Color

Colorless

Aspect

Milky liquid

Luster

- Matt
- Satin
- Semi-gloss

Sizes

- 250 ml
- 946 ml
- 3.78 L

Storage

Store between 15 to 30 °C, sensitive to frost

Origin

Italy
