

This image displays a 3x2 grid of identical diagrams, each consisting of a central square and a surrounding border of labels. The labels are arranged as follows:

- Top-left corner:** A A
- Top-right corner:** A A
- Bottom-left corner:** A A
- Bottom-right corner:** A A

The border labels are: 'C score' at the top, 'B' on the left, 'D' on the right, and 'C' at the bottom. A vertical dashed line runs through the center of each square, and a horizontal dashed line runs through the center of each row. The labels 'D' are positioned at the intersections of the vertical dashed lines and the horizontal borders.
