

The board game layout consists of a central circular path with a thick grey border. The path is divided into 36 numbered squares, arranged in a spiral pattern starting from the center. The squares are color-coded: blue (1-7), cyan (8-14), red (15-17), yellow (18-20), light blue (21-27), purple (28-34), and green (35-36). A 'FINISH' square is located at the end of the path. The board is surrounded by a border of orange squares. Various icons are placed on the board, including 'FabLab la Côte' (a gear icon), 'Makey Makey' (a keyboard icon), and a large grey circle in the center. A 'START' square is located at the beginning of the path.
